

Preston Goodman, Municipal Forester – City of Henderson

Preston Goodman grew up in Henderson and has always loved the outdoors. In 1999 he started working for the City of Henderson in the Parks Maintenance division. The idea that he could work in a park and be outside all day was just amazing to him. Preston has been with the Parks Maintenance division for 20 years. He has had the privilege of working in many different positions within the maintenance division but is currently the Municipal Forester. He has been in this role for the past three year and still loves being outside and in the parks.

Preston has obtained the following certifications: ISA Certified Arborist, AAS Horticulture/Landscape Management, and is the ISA Municipal Committee Chair. He also won the ISA Gold Leaf Award in 2017 for outstanding Arbor Day Actives in the Western Chapter and the Tree City USA 29th year.

When Preston is not at work he enjoys hiking with his wife and getting out to explore nature. He loves traveling, this year they took a cruise to Alaska that was amazing. He loves to play Pickle Ball most weekends but perhaps the thing that he enjoys the most is going out to eat, and would love to be considered a foodie someday.
