

Jolie Telios, Territory Aquatics Specialist – American Red Cross

Jolie Telios is the new Territory Aquatics Specialist for the American Red Cross covering the southwest region of the U.S. Jolie started her first job as an American Red Cross lifeguard in 2000.

Jolie has spent most of her 20-year career operating aquatic facilities, both in the public and private sector in Las Vegas. Jolie is passionate about aquatics, water safety and helping others. She looks forward to working with a new team and serving the regional community.

She holds several certifications including Lifeguarding, Lifeguard Instructor, Lifeguard Instructor Trainer, Water Safety Instructor, Water Safety Instructor Trainer, and CPO. She also has a Bachelor's degree from UNLV in Business Administration and a Master's degree in Management from the University of Phoenix.

In her free time, Jolie likes to spend time with her dachshund Cici, cheer on her sports teams (Philadelphia Eagles and Vegas Golden Knights), sing karaoke, and enjoy new films in the theatre.
