

Tracy Domingues, Parks and Recreation Director – City of Sparks

All of Tracy's part-time/seasonal jobs were unintentionally in the field of recreation. She began as a lifeguard, then swim instructor and pool manager while obtaining my Instructor Trainer level certifications in CPR, First Aid, Lifeguarding, and Water Safety Instruction. She also worked with Special Olympics as a swim coach.

Upon graduation from CSU, Sacramento, with a Bachelors in Recreation Administration in hand, Tracy secured her first full time position as Recreation Supervisor for the City of Redding Parks and Recreation Department. In Redding, she created the Leisure Without Limits program for people with disabilities.

After five years, she moved for a position as Recreation Supervisor for the City of Sparks specializing in aquatics. In 2003, the department reorganized and was fortunate to receive a promotion to Recreation Superintendent. Tracy became the Parks and Recreation Director in 2011.

“I would like to take this opportunity to give a shout out to the amazing staff at the Sparks Parks and Recreation Department. Without them, I wouldn't be where I am today - it truly takes a team. I am so thankful for the many opportunities I have received and words cannot express my appreciate for our small, but mighty team.”

Tracy loves to spend time with family and be outdoors. Hobbies include hiking/walking and plans to get back to snow skiing when she retires. She met her husband at Kirkwood when they were both ski instructors in 1987. Their sons, Colton (19) and Hunter (17) attend school at UNR and Reed HS.
